# RETROSPEKTIVE

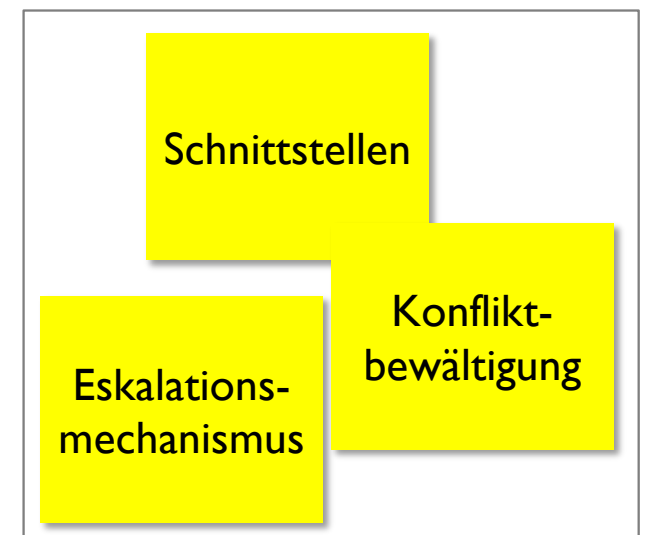

Was war gut?

Was war nicht gut?

Was wollen wir besser machen?

The image features the words "The End" in a white, elegant cursive script. The text is centered within a dark brown circular area. This central circle is surrounded by several concentric rings of a vibrant red color, which create a hypnotic, tunnel-like visual effect. The overall composition is symmetrical and draws the viewer's eye towards the center where the text is located.

*The End*
